

Volunteer Opportunities

“Volunteerism is the voice of the people put into action. These actions shape and mold the present into a future of which we can all be proud.” – Helen Dyer

We believe in the power of volunteers to make Tenino a great place to work, live and visit. We take our job of providing utilities, infrastructure and safe public spaces very seriously, and strive to do it all. But we are grateful for a community that steps up when things need doing. Here are some helpful ideas if you are interested in Volunteering for the City of Tenino.

- If you are interested in doing garbage patrol on our city sidewalks garbage bags are available at City Hall.
- Earth Day ~Park Cleanup is April 20th, 2024.
- Please sign up for E-alerts and you will receive an email when organized volunteer opportunities arise.
