

Citizen's Action Request

Please help us make our City the best it can be. Our **Citizen's Action Request** is a tool that you can use to bring our attention to something we may have overlooked, or has recently arisen, or just to make a suggestion. It is not intended, nor is it suitable for use as a means of obtaining Law Enforcement Assistance. If you have a law enforcement or domestic issue, please use the [Thurston County Sheriffs' Office's Citizen Online Police Reporting System](#).

Please also be aware that the City of Tenino will not act on any request at a location outside the City Limits; the City may not act where it has no jurisdiction. If you live outside the City Limits and would like to notify the County of a problem, please use either the [Thurston County Public Works](#) or the [Thurston County Public Health and Social Services](#).
